TERMS AND CONDITIONS OF SALE

Conditions. All orders are accepted subject to governmental regulations affecting labor, transportation, and materials on the specific condition that they shall be non-effective should injury to stock occur, or other eventuality beyond our control take place.

Guaranty. We guarantee Camellias and Azaleas to be true to name, well rooted, well grown, healthy, properly packed and shipped. We cannot guarantee plants to live, since the planting, care and growing conditions to which they are subjected after leaving the nursery are out of our control. If you plant them well and thereafter give them the care they deserve they will do well.

Payment. Our terms are cash. In cases where the purchaser is well known and credit responsibility established, 30 days will be granted. If plants are to be reserved for later shipment, a 25% cash deposit will be required that the plant may be selected and tagged. No C.O.D. shipments will be made.

Packing and Shipping. All plants will be balled and burlapped. If they are to be shipped out of Poplarville, they will be securely crated for 10% of the cost of the plants. Four Camellias may be placed in one crate not larger than three feet. We recommend Railway Express as a means of transportation but will be guided by your instructions in that regard. Our responsibility ceases upon delivery to carrier. Risk and cost of transportation are for the purchaser's account.

Minimum Orders. Mail orders for less than \$10.00 if to be crated cannot be accepted.

Substitutions. No substitutions will be made unless directed by the purchaser. Some varieties are scarce and second choices might well be made in your original order if desirable to the purchaser.
